- o Phillip Klutznick - Secy
- o Luther Hodges - Deputy Secy
- o C.L. Haslam - departing Gen Counsel
- o Homer Moyer - Haslam's replacement
- o Dave Laux

Dave Laux recommends following reps fm CIA:

- o DCI
- o DDCI
- o Bruce Clarke
- o John McMahon (DOB)
- o Maurice Ernst

STAT

DCI has indicated to me that I should also attend. STAT

Laux feels this meeting should be primarily for orientation of Klutznick, Hodges & Moyer, therefore it would not be inappropriate to cover some of the same ground as was covered with Secy Kreps last year, i.e. basic relationships, potential new areas of cooperation, trends, problems, hopes, etc.

DCI has asked that principals be notified and tasking assigned so that we can agree on an agenda with Commerce and get ready.

SUBJECT: DCI working lunch with Commerce
Thursday, 10 January 1980

REMARKS:

Your invitation was extended to new Secy Commerce Klutznick. According to Dave Laux he was delighted and accepted enthusiastically. Said he knew your father and was anxious to meet you.

Have asked Gary to block out 1200-1400 Thursday, 10 January which is good with Commerce. They understand that you still have an overseas trip tentatively on the books which could interfere, but are planning for the 10th at this time.

Attendees from their side will be:

Klutznick
Hodges
Haslam
Moyer
Laux

All have SI/TK clearances.

Dave said that last time you gave them an overview of the IC. trends, problems, where going, which was perfect. That or any other agenda you feel useful is quite acceptable to them.

SUBJECT: DCI luncheon meeting with Commerce reps

REMARKS:

Dave Laux called. Commerce would like to arrange another luncheon meeting with you at the Agency like the one you had with Secy Kreps in April. They want to discuss substantive issues as you did in the Kreps meeting, review relationships, and explore new areas of cooperation.

They propose this for
1st choice: 7, 8, 10, or 11 Jan 80
2nd choice: 3 or 4 Jan 80

Present at the meeting would be:

- o Luther Hodges (Acting Secy who will become Deputy Secy on 1 Jan) He's going to Saudi Arabia 18 Jan so Laux will also set up some briefings for him at HQ same day
- o C L Haslam (departing General Counsel)
- o Homer Moyer (Counsellor to the Secy and will replace Haslam as GC and NFIB rep)
- (o Phillip Klutznick (new Secy) and an as yet unnamed UnderSecy for International Trade (new post) may also attend but that will depend on confirmation timing, etc.)

REMARKS:

With the overseas trip fast fading, you can do a luncheon in January. However, I would be very concerned about a Commerce luncheon without the new Secretary. *Yes*

Whatever decision or consensus you arrive at, during the luncheon may be for naught if Secretary Klutznick is not on board.

Dave Laux appeared to be pushing Luther Hodges and these luncheon dates.

George concurs that we ought to wait until the Secretary can join a luncheon. *Yes*
